Kontron AG: Additional Information on the joint statement of the Executive Board and Supervisory Board on the takeover offer by Ennoconn Corporation

While the Executive Board and the Supervisory Board recommend that shareholders of Kontron AG, having considered the Board's recommendation, decide whether to tender their shares into the offer, all members of the Executive Board and the Supervisory Board expect the relationship between Ennoconn Corporation and Kontron AG to remain highly collaborative, constructive, and mutually beneficial, underpinned by a shared commitment to creating sustainable long-term value for all stakeholders.

The Board's recommendation regarding the Mandatory Tender Offer (MTO) is separate from its expectation that Kontron AG and Ennoconn Corporation will continue to deepen their strategic relationship. The MTO process continues to progress in accordance with the applicable legal and regulatory framework, and Kontron AG remains fully committed to ensuring an orderly and transparent process.

Ennoconn Corporation regards its investment in Kontron AG as a significant long-term strategic shareholding that is expected to unlock substantial opportunities for collaboration and future value creation. Both companies see significant potential for synergies, particularly in the fields of Physical AI, cybersecurity, autonomous driving, robotics, and advanced connectivity. Kontron AG's products, technologies, and engineering expertise are expected to play an important role in accelerating innovation and growth across these strategic markets.

These focus areas have been identified by both Kontron AG and Ennoconn Corporation as shared long-term strategic growth priorities. Together, the companies remain committed to strengthening their strategic collaboration and creating sustainable long-term value for customers, employees, shareholders, and all other stakeholders.
